

PAU GALAN GUTIERREZ

Frontend React Developer

[PORTFOLIO](#) | [LinkedIn](#) | [GitHub](#) | Barcelona | (+34) 645188899 | paugalan@proton.me

PROFESSIONAL SUMMARY

Front End Developer with a strong emphasis on React. With more than two years of experience in the industry, a time that has helped me to consolidate the knowledge acquired in the career of computer engineering. Capgemini gave me the opportunity to gain experience working on Agile projects. I consider myself an open-minded person with strongly developed empathy, communication, and teamwork skills.

Seeking a challenging React Developer position in Barcelona where I can leverage my technical skills and passion for creating exceptional user experiences.

TECHNICAL SKILLS

- **Frontend Technologies:** React.js, TypeScript, Tailwind CSS, Vue.js, Responsive Web Design, Styled Components.
- **UI/UX:** Figma, Component Design, User Experience Design
- **Backend Knowledge:** REST APIs, Microservices, Python, Node.js
- **Development Tools:** Git, Jenkins, Jira, Agile Methodologies, Testing (Unit/Integration)

PROFESSIONAL EXPERIENCE

Full Stack Developer

Capgemini, Barcelona | June 2022 - December 2024

- Developed and maintained React.js components using modern React patterns (hooks, context API) and Storybook for component documentation.
- Collaborated on a cross-functional team to build a financial web application from scratch.
- Implemented RESTful API integrations and state management solutions for complex data flows and engineered microservices architecture.
- Participated in Agile ceremonies including sprint planning, daily stand-ups, and retrospectives.

Solo Developer for MORE (Mobility Report)

Freelancer | 2025

- Designed and developed a crowdsourced platform enabling citizens to report public transportation infrastructure issues in real-time.
- Built a responsive UI with Tailwind CSS.
- Developed full-stack application with React, Redux Toolkit, Express.js backend and Supabase integration.

EDUCATION

Bachelor's Degree in Computer Engineering

Universitat Pompeu Fabra, Barcelona | September 2018 - June 2023

- Relevant coursework: Web Development, Software Engineering, Algorithms, Data Structures, UI/UX Design

CERTIFICATIONS

- Frontend Developer Professional Certificate by Meta
- English Language Proficiency - VANTAGE LEVEL CERTIFICATE (B2.2 CERF)

LANGUAGES

- Spanish, Catalan - Native
- English - Professional Working Proficiency

SOFT SKILLS

- Problem-solving and analytical thinking.
- Adaptability to new technologies and frameworks.
- Empathetic approach to user experience design.
- Team-oriented mindset with strong interpersonal skills.
